

ISSP Characteristics of National Population: MÉXICO

Each ISSP member is asked to include to the documentation the following information about known characteristics of its national population, from census or the best available estimates from government surveys or other high-quality data-sources:

- sex distribution of the population
- age distribution of the population
- education (years of schooling) of the population
- employment rate of the population

2010 General Census of Population and Housing INEGI	National Survey of Occupation and Employment (3 quarter of 2018) INEGI	Source no. 3	Source no. 4
